## Patrick Burroughs

This Kitchen Manager home screen shows a bar at the bottom for quick access to all the screens of the app. Here, it also displays quick views of your favorite recipes and soon to be/expired foods.

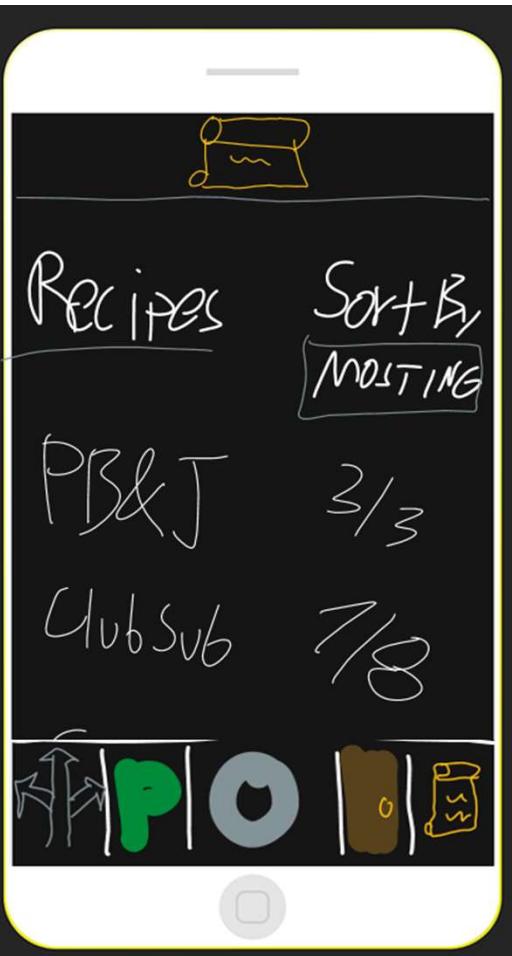

## Patrick Burroughs

This screen is the pantry, where it displays all the items currently in your pantry. On the right is how they are being sorted, currently by expiration date but could be sorted by amount, recent use, or alphabetical order.

**Patrick  
Burroughs**  
This recipe  
screen displays  
recipes for the  
user if they are  
unsure what  
they want to  
eat. These  
recipes are  
going by what  
you have the  
most  
ingredients for,  
but can be  
sorted by  
recent use,  
popular use,  
and  
alphabetical  
order.

A Samsung smartphone is shown from a slightly elevated angle, displaying a mobile application interface. The phone has a grey frame and a camera lens at the top right. The screen shows an orange-themed 'Add Items' form. At the top, the word 'SAMSUNG' is printed in a light blue font. Below it, the title 'Add Items' is displayed in large, bold black letters. The form includes fields for 'Item:' (with a blank input field), 'Amount:' (with a list of units: Pounds, Ounces, Grams, FL OZ, Gallons, and Litres, each followed by a blank input field), 'Expiration Date:' (with a list of units: Date, followed by a blank input field), and a signature field containing 'Jonathan Brennan'.

A Samsung smartphone is shown from a slightly elevated angle, displaying a mobile application interface. The phone has a grey frame and a camera lens at the top right. The screen shows a light orange background with black text and input fields. At the top, it says "Remove Items". Below that is a text input field labeled "Item: \_\_\_\_\_". Underneath is another text input field labeled "Amount:". Below "Amount:" is a list of six radio button options, each followed by a blank input field: "Pounds: \_\_\_\_\_", "Ounces: \_\_\_\_\_", "Grams: \_\_\_\_\_", "FL OZ: \_\_\_\_\_", "Gallons: \_\_\_\_\_", and "Liters: \_\_\_\_\_". At the bottom of the screen, the name "Jonathan Brennan" is displayed. The overall design is clean and functional.

A Samsung smartphone is shown from a slightly elevated angle, displaying a grocery list application on its screen. The phone has a dark grey or black frame and a camera lens at the top right. The screen shows a table with three columns: Item, Amount, and Date Exp. The rows contain the following data:

Item	Amount	Date Exp
Chicken	14 Oz	10/16
Milk	.5 Gal	10/17
Apples	8 Oz	10/17

Below the table, the name "Jonathan Brennan" is displayed in a white box. The phone's physical buttons are visible at the bottom: a home button with a square icon, a back button with a circular arrow icon, and a recent apps button with a square icon.

Item	Amount	Exp Date
Rice	10 OZ	None
Lettuce	6 OZ	10/25
Peppers	8 OZ	10/31
